### HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
26"	n/a	Dogs may be entered at this height at their owner's discretion

### MEASURING and HEIGHT CARD INFORMATION

All agility dogs are required to have an Official Jump Height Card/Valid yellow form and exhibitors must be able to present it prior to running their dog(s) in any class or at any time during the trial upon request whether or not they have sent a copy of such with their entry. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

### OBSTACLES

The following obstacles and jumps shall be used for:

**STANDARD and FAST CLASSES:** A-Frame, Dog Walk, Seesaw, Pause Table, Open Tunnel, Closed Tunnel, Tire Jump, Double Bar Jump, Panel Jump, Broad Jump, One Bar Jump, Weave poles (6 – Novice, 6-12 Open, 9 – 12 Excellent), Triple Jump (excluding Novice) and other Jumps and Hurdles as described in the regulations.  
**JWW CLASSES:** Weave poles (6 – Novice, 6-12 Open, 9 – 12 Excellent), Triple Jump and One Bar Jump (both optional in Open, required in Excellent), and other Jumps and Hurdles as described in the regulations.

**There will not be any obstacle familiarization at this trial**

### CLASS INFORMATION

#### STANDARD AGILITY CLASSES:

The NOVICE Agility class is divided into Division A for persons and dogs that have never acquired an agility title; Division B is for dogs that have acquired the Novice Agility title, persons that have handled a dog to an agility title, and for agility judges.

The OPEN Agility class is open to dogs that have acquired the Novice Agility or Open Agility titles, but which have not acquired the Agility Excellent title.

The EXCELLENT Agility class is divided into two divisions: Division A is for dogs that have not acquired the Excellent Agility title and Division B for dogs that have achieved the Excellent Agility title.

#### JUMPERS WITH WEAVES CLASSES:

The NOVICE JWW Agility class is divided into Division A for persons and dogs that have never acquired an agility title; Division B is for dogs that have acquired the Novice JWW Agility title, persons that have handled a dog to an agility title, and for agility judges.

The OPEN JWW Agility class is open to dogs that have acquired the Novice JWW Agility or Open JWW Agility titles, but which have not acquired the Agility JWW Excellent title.

The EXCELLENT JWW Agility class is divided into two divisions: Division A is for dogs that have not acquired the Excellent JWW Agility title and Division B for dogs that have achieved the Excellent JWW Agility title.

#### PREFERRED CLASSES:

All dogs entering the Preferred Classes for the first time must enter the Novice level in both Standard and Jumpers with Weaves regardless of their previous title level in the Regular Classes (Std & JWW). There is no A & B division at the Novice level. Owners/dogs are allowed to switch back and forth between the Preferred Classes and Regular Classes, but not at the same set of trials. Moving up to a higher level has the same requirements as the Regular Classes.

#### F.A.S.T. (Fifteen and Send Time) CLASS:

FAST class used fifteen (15) point valued obstacles and/or obstacle combinations. The course will include a 'Send Bonus' or distance element that will award a bonus of twenty (20) points if completed successfully, and is identified as the 'Send Bonus'.

Novice A,B, and Preferred FAST level will focus on the introduction of the skill, timing, and minor distance work involved in a game of strategy and point accumulation

Open and Open Preferred FAST level will be to test skill, timing, and intermediate distance work involved in a game of Strategy and point accumulation.

Excellent A, B, and preferred will be to test skill, timing, and distance work at the highest level involved in a game of strategy and point accumulation.

TIME 2 BEAT (T2B) is a combination course of Standard and Jumpers With Weaves.

While dogs of any skill level (i.e., novice, open, excellent) are allowed to compete in T2B, to be successful you will need to demonstrate an advanced level of skills. Check out the information video for more details: <http://www.akc.org/events/agility/T2B3X.html>

#### If a Wait List is needed

The Agility Rules and Regulations, Chapter 1, Section 16, "Wait List", states:

To fill openings created by entries withdrawn prior to a date and time established by the club. Such date may be beyond the event closing date; however, it must be a minimum of three (3) days prior to the first trial date of the set of trials. All entries must be received prior to the closing date and time. The club must establish a maximum number of entries that may be placed on the wait list. Whether a club is offering a wait list, how many entries are being accepted on the wait list and the closing date/time of the wait list must be published in the trial's premium list. A full refund is to be reimbursed to any entrant whose entry is replaced by a wait-listed entry.

For our show we will honor a wait list of no more than 50 dogs, and the closing date of the wait list will be three days before the first trial date.
